SocialShare - SocialBar Extension Documentation - June 2016

Contents

Overview

This extension adds a Facebook, Twitter and Google+1 and Pinterest Buttons Bar and lets your customers Like, Share Tweet Pin and +1 your products. For a complete social experience.

Installation

Fresh Installation

1. Open the admin and click on System ->Magento Connect -> Magento Connect Manager.
2. Under "Direct package file upload" select the installation file and click Install.
3. If Cache Control is enabled in Magento go to 'System > Cache Management' and Refresh All Cache.
4. Log out and back in.
5. Navigate to System -> Configuration -> Social Share -> Social Buttons, Enable the extension and select the buttons you want to display.
6. Edit app/design/frontend/[package]/[theme]/template/catalog/product/view.phtml and insert the following PHP code:

```
<?php echo $this->getLayout()->createBlock('core/template')->setTemplate('socialshare/socialbar.phtml')->toHtml(); ?>
```

* If the file doesn't exist copy it from default or base template

7. Enjoy it and feel free to leave feedback.

Update

1. Open the admin and click on System ->Magento Connect -> Magento Connect Manager.
2. Under "Direct package file upload" select the installation file and click Install.
3. Go to 'System > Cache Management' and Refresh All Cache
4. Log out and back in

FAQ

Q: How do I control the buttons positioning

The width of the buttons and their position can be easily changed using CSS file under /skin/frontend/base/default/css/socialbar.css

Q: How to Add the Bar in a CMS page

To add the bar to a CMS page just insert this line in the page editor

{{block type="core/template" name="social_bar" template="socialshare/socialbar.phtml"}}

Q: How do I Get Facebook AppID

1. Visit https://developers.facebook.com/apps
2. Create New App (Only a name is required.)
3. Set "Sandbox Mode" to "Disabled"
4. Under "Select how your app integrates with Facebook", expand "Website with Facebook Login".
5. Set Your Site URL

Support

Thank you so much for purchasing this item. As I said at the beginning, I'd be glad to help you if you have any questions relating to this theme.
